

Confidential Scholarship Application Form

Youth Group events are designed to be inclusive. Some will be available at no cost to the participants, while other events have a fee. The leaders are hopeful that all students can attend each event, regardless of cost. Financial assistance is available for all events sponsored by our youth ministry. Please, never let the cost of a youth group event keep you from attending—your attendance is important for the whole group.

To keep all students financially accountable for scholarship requests, it is our policy that this formal application be submitted at least two weeks prior to any event's deposit/balance due deadline.
